ME IN 2027

THIS YEAR I WANT TO FEEL

HOW TO USE IT

1
Write one goal for each part of your life.

2
Break your top goal into small steps with dates.

3
Glue a picture in each vision board box.

WANT IT TO FILL IN BY ITSELF?

Life Planner for Notion

The same idea in Notion: goals that fill up as you tick each step, and a vision board with a photo for every dream.
