4 QUICK STEPS

01
Open the link
Click the button above. It opens in your browser.

02
Log in to Notion
Use your Notion account, or create one in a minute.

03
Click Duplicate
Top right corner. The template is copied into your workspace.

04
Open "Start here"
Follow the 5-minute setup. Your bonus guide (Notion for beginners) is the second file in your download.

GOOD TO KNOW

No Notion account?
Create one at notion.com, then open the link again.

Desktop + phone
Works best on desktop. After duplicating, use it on the Notion app too.

For your own use
Please don't resell or share this template.
